

- **US Embassy** (Joshua Polacheck – Public Affairs Officer; Derie Gilzeane – Information Specialist; Cleo Walker – Information Specialist)

Mr. Polacheck said that he looked forward to working with the media to convey their policies and messages to the public. He would be introducing to the Heads of Media the new Ambassador who was expected within a month.

Mr. Polacheck said that he would be willing to arrange for a specialist to speak on the benefits of having a 'Sullivan' regime and free press. The US Embassy welcomes partnership with the media on any matter that would be productive.
