

CELEBRATING THE LIFE OF FRANCIS "PACO" KENNEDY C.D.

Today, Media Association Jamaica Limited (MAJL) celebrates the life and work of Jamaica Chamber of Commerce (JCC) President, Mr. Francis Kennedy C.D. His list of accomplishments and contributions to national development is extensive and well publicised. However, in particular, we commend his unwaivering support of our partnership with the Chamber on the Jamaica Debates Commission (JDC). Through this partnership we have been able to set a globally recognised standard for political debates which have served to better inform the electoral decisions of our populace; something both our organisations can be extremely proud of.

The Association and its members extend sincere condolences to the family and friends of Mr. Kennedy and look forward to continuing the good work he supported with the newly appointed JCC executive. We are confident this would be his wish.
